

Ching Chi Industrial Company Limited

Company Profile

www.chingchi.net

2022 Jul

OUR BACKGROUND

Ching Chi Industrial Company Limited was established in 1985 with the mission to manufacture, assemble and export fine watches worldwide. We have a Hong Kong office in Tsuen Wan with 15 employees and established a factory in China in 1989 doing assembling of complete watches since then.

FACTORY CAPABILITY

Striving for quality and unique OEM and ODM products, our company continued to expand our manufacturing potential. In 2006 we finally set up our 2000-squre-meter office-factory complex in Changping (Dongguan district) , now we have total 50 workers in our China factory

CHINA OFFICE-FACTORY WORKSPACE

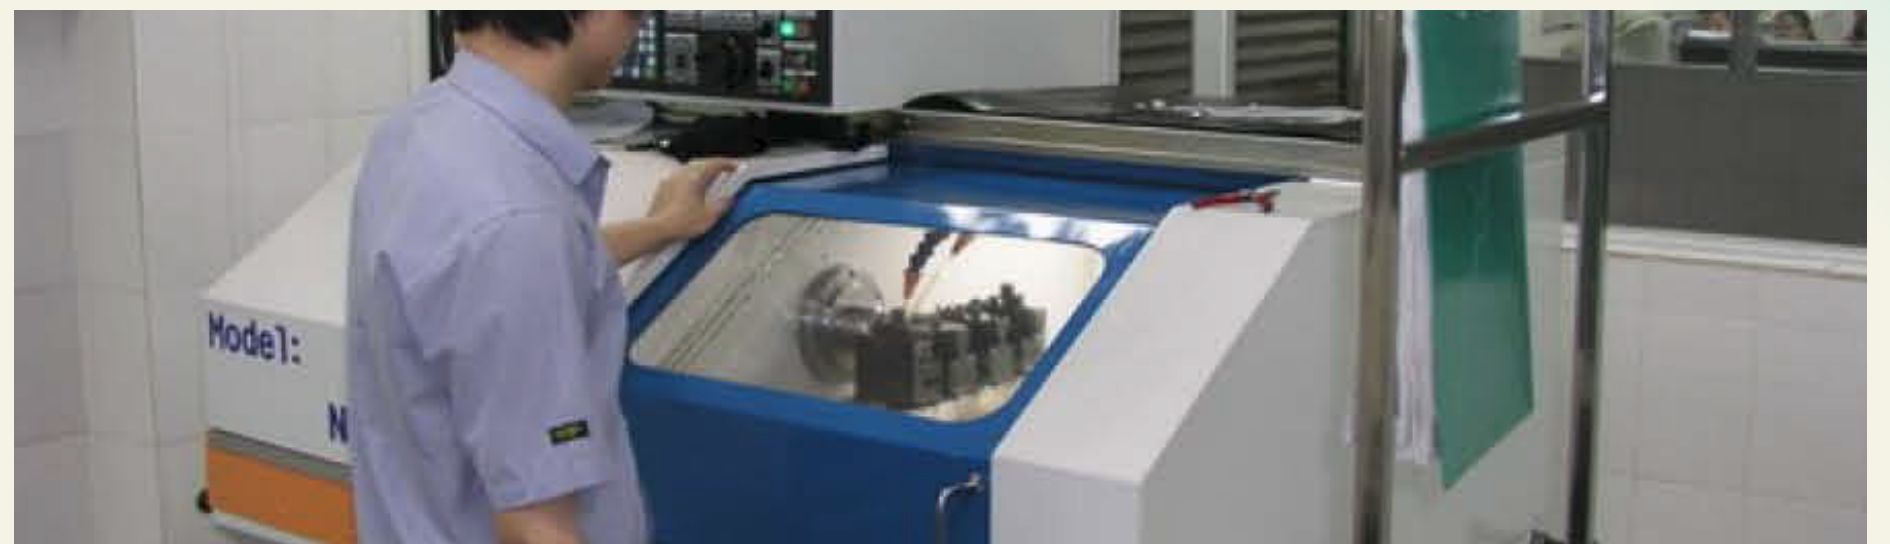

Our company's team is composed of talents from different fields. There are designers, engineers and experienced people from the watch industry. Focus on product development, product design, quality management. Our industry experience can provide customers with a deep understanding and perfect service
